Tubeless ready road tyre for best the performance. Hookless compatible.

The new COMTURA PRIMA TR is an extension of our range of road tubeless tyres. We have developed completely new compounds for this model. The tread compound provides an excellent grip in all conditions, especially in wet weather. Hard to find competition in wet weather. Thanks to additional compounds, this tyre is able to achieve low rolling resistance and weight. The COMTURA PRIMA TR is the ideal choice for racing and performance cycling.
